Measure, Appointment or Topic: HB2025

IT is a travesty that our State has been taken hostage by the Democratic Party. This measure is an abomination to the citizens of the State and the Government continues to consume our hard earned dollars by adding tax after tax after tax. I am on the verge of moving my business that employs 43 folks and leaving Oregon as almost all our work can be done remotely. Raising taxes and fees every whipstitch is unacceptable and hurts low income people who have to drive to work, buy car insurance, by a vehicle in the first place, etc. I am adamantly opposed to this boondoggle when you spend money for stupid stuff and then keep asking for more when you are AWFUL STEWARDS of our tax dollars. The State government of Oregon is a colossal failure and it will get worse as the we are at the bottom of the country for schools and those coming behind you will be even more stupid than our current officials are. Vote NO!!!
