Measure, Appointment or Topic: HB2025

Please do not pass this enormous tax increase bill, HB 2025. It contains almost 20 new or increased taxes, including increased fuel tax and a crippling tripled payroll tax. Many small businesses in Oregon are struggling and these additional taxes will make some of them have to fold up. We want to live in a state that supports and encourages entrepreneurship and small businesses. Also ODOT has not shown itself to be accountable with the money it's been given already so why do you think giving them more will help. Changes need to be made there before they get even more of our hard earned money. Please vote NO on HB2025.
