

Submitter: Angela Murphy

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose this bill. People Like Us on Social Security cannot afford any more taxes. This state is already one of the worst states in the USA. You don't seem to care!. You don't seem to realize what the ordinary person on Social Security have to do to make ends meet. Kindly consider the ordinary person.

Angela Murphy
