Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

My name is Steve Carson and I am a Klamath County resident. I am testifying in opposition to HB2025. It seems the liberal legislators think that increasing taxes and several fees, are the way to fix Oregon's revenue problems. They are wrong. I know the liberals control the legislature, but how can a legislator look a constituent in the eye and say that raising taxes and fees is the only way? I believe that ODOT is one of the most mismanaged and corrupt agencies in this state. Oregon is among the most taxed states, and throwing more money seems to be the solution. Wrong again. Assessing more taxes and fees is unconscionable. Find a way to manage the money, by cutting waste and weeding out the wasters. Please don't penalize Oregonians for your ineptness. Please kill HB2025 - it deserves it. Thank you
