Measure, Appointment or Topic: HB2025

I strongly oppose HB 2025. As a young family, it is hard enough to live in this state with the ever rising cost of living and brutal taxes that already plague the working lower / middle class. More care should be taken by legislators before pushing legislation that would drastically change how Oregonians live and what they can afford. Allow our voices to be heard, and behalf on all struggling Oregonians, please vote NO on HB 2025.
