We can hardly survive today in the Democrat led invasion of our income. Can't you politicians quit spending money on those who don't want to work or are here illegally? Balance the budget for American citizens that pay the taxes and tell everyone else to get a job or go back from whence they came.

The use of the State house brought shame to all Oregonians with your dance recital.

Now is the time to give back to those who pay. Stop the NONSENSE !!!!
