Measure, Appointment or Topic: HB2025

My name is Flora Bates, and I am a retired farmer in Benton County. I urge you to oppose HB2025. The proposed tax increases will severely hurt rural Oregon. My operation depends on affordable fuel and reliable transportation. This bill dramatically increases costs while funding projects that provide no direct benefit to us.

I expect our legislators to get the problems plaguing ODOT resolved before adding any additional taxes or regulations.

ODOT needs reform and accountability—not a blank check. Please reject HB 2025 or send it back for real, balanced solutions.
