Measure, Appointment or Topic: HB2025

Since there is no fiscal sanity...we oppose new taxes and fees. Where is the money being spent?

Gas tax hike? NO NO NO!

What spending has been CUT? Not cuts to new spending, but actual cutting back on what is being done in our state!!

Where is DOGE in Oregon? If the Drag spectacle is any indication of how the Democrats are spending our money and WASTING OUR TIME AND RESOURCES...!

How is our money being spent?!!
