

Submitter: Sean Dunagan

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I left the state I grew up in to come to a state that offered less onerous taxes and therefore the opportunity to use more of the money I earn. These funds are used to support and grow my business. They also help to provide and care for my family. In my personal business I must work and live within my budget. My state needs to do the same.
