I would like to oppose this 10 year tax hike. As a single mom in Oregon I'm struggling with already paying some of the highest taxes in the country. All other Oregon budget runs on two year cycles. Lets hold ODOT accountable for how they use this money, i havent seen a great track record thus far, and if they do well, we can lock in another 2 years. I am going to be forced to move at this rate. Please don't pass this tax hike.
