Measure, Appointment or Topic: HB2025

Businesses and high earners are fleeing the State and passage of HB 2025 will only accelerate Oregon's ride on this doom loop. We cannot afford to pay some of the highest taxes in the nation and you want to increase the burden. You are destroying Oregon. You should be using tax dollars efficiently on safety and infrastructure, not spending on ridiculous pet projects that end up dividing us. Root out out waste, graft, and corruption, lower taxes, make this place attractive to live in again.
