

Submitter: efren lopez

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

You guys need to pull your heads out of the sand. This is getting out of hand and you all need to be held accountable. Quit working for all the special interests and lobbyists and start working for the people of the state. Every day Oregonians are struggling to get by and yet you politicians have your hands out demanding we pay more taxes when is it ever going to be enough?
