

Submitter: Jeanette Yturriondobietia

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

As we are 50 miles from nearest post office, 125 miles from doctors grocery stores, ect. and 3 hours to our choices for ranch needs, doctors, groceries, supplies, we are not in favor of raising costs on anything. Surely, better use of available funds in our state coffers can accomplish necessary needs. Thank you
