To whom it may concern, ha.

I am opposed to more taxes, our state government is out of step.

HB 2025.

Nearly 20 new or increased taxes and fees.

A 12-cent gas tax hike, making Oregon one of the most expensive states in the country to fill up your tank.

A 350% increase in the vehicle privilege tax (a tax on buying a car).

A tripling of the payroll tax, which directly hits your paycheck.

No meaningful accountability or reform at ODOT for how your tax dollars are spent.

It is sad to know the Dems have no concern for the people of this state.

Maybe they can afford this taxes that doesn't mean the rest of us can.

Stop the wasteful spending but I know i'm whistling in the wind.

No sales tax state is a lie! Sales tax, payroll tax, property tax.
