

Submitter: Charles Spaulding

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My family subsists entirely on military and other retirement income and unless someone raises the rates on that income then your proposed tax increase is an unwelcome and budget breaking attack. Stop this bill.....tell ODOT to live within their approved funding and to better manage those resources.

Thanks for your time and attention.
