

Submitter: Barb Corum

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

At some point Oregon has to live within its means. Please vote this down and say, "NO" to any new taxes. You are supposed to balance the budget with the money you have, not to vote in new taxes!!!! Please stop this insanity and figure out how to run Oregon without raising taxes. Make this state great again just say no to this bill. We can't afford this.

Thank you
