Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose HB 2025. Please vote NO! We are seniors on a fixed income. We haven't got a 350% increase in our income so we already pay too much for gasoline tax, vehicle registration, DEQ, etc. as it is. We are one of the highest in the nation with some of the worst roads in the country.

PLEASE VOTE NO!
