Oregonians are struggling due to democrats policies. We have had enough. Democrats solutions to every problem is more taxes. NO More Taxes. Audit ODOT. I bet millions are going to special interests. Oregonians can't afford another tax that doesn't do anything. Let's look at the homeless tax. Great job democrats the situation is worse. Where has that money go? The entire state needs to be audited. I think it is time the Feds come in and expose all the corruption. Republicans and Independents you must walk out and not allow a vote on this. You all know majority of Oregonians are against this.
