

Submitter: Roberta Powell

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please vote no on HB 2025. Oregonians are already struggling to get by with the rise in the costs of almost everything, especially groceries, utilities and energy. We do not want or need all of the additional taxes in this bill. It will hit the poor and working class the hardest. Please drop this bill and come up with something more sensible and less costly.
