On Behalf Of: All Taxpaying LEGAL Oregonians
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

WHY do democrats HATE Americans so much?

WHY do they ONLY care about Illegals and raising taxes?

WHY do Oregonians continue to get SCREWED every time a democRAT is in power?

WHY do we allow it?

Because democRATS only care about POWER and CONTROL and have used 'Fraud by Mail' and importing MILLIONS of illegal aliens and giving them the power to vote, to ensure that they REMAIN in power.

It is well past time for the US Government to investigate Oregon's corruption.

This largest tax increase in Oregon's history will force people to choose between eating and paying rent or paying yet MORE taxes to fund the democRAT's pork filled, union money skimming agenda.

Oregon is the WORST State to try and start a business, ranked 47th in schools and is ranking number one in people leaving the state for better opportunities.

If this passes, we will be one of the families LEAVING the state.

DemocRATS have made living in Oregon entirely too expensive.
