Please vote NO on HB2025

This package is unaffordable for Oregon families. As you can see, most of these testimony submissions are in opposition!

We struggle with the current level of taxation and more taxes will be the proverbial straw that breaks the camel's back.

I know many families that have already left Oregon because it became unaffordable to reside here. I don't want to have to make a plan to move too.

Please say NO to this Terrible, Horrible, No Good, Very Bad Bill!!
