Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please do not pass HB 2025. Absolutely no more taxes can be tolerated by Oregonians. Please stop the never ending spending spree on things that Oregonians don't need. We need fewer bike lanes, no tolls, and a stop to all pet projects with which politicians and contractors launder huge some of money in the name of "progress"

Enough is enough.
