

Submitter: Kirby Wallace

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Enough is enough. May God help you if you tax us into poverty. We can not afford your tax increases. YOU made our problems worse and YOU WONT fix them. Ask Us the voters and we can work together to fix the problems YOU created. YOU cant afford to spend money that WONT be there. Read Jphn 3:16. Good day?
