

Submitter: ALEX SALAZAR

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Deeply oppose the passing of this bill as it will increase the cost of vehicle licensing, registration and gasoline to name a few items that are named in the bill to help ODOT do their job. This bill passing will greatly put a hurt to senior citizens like me that live in rural areas. I'm a resident of Columbia Co and live in Clatskanie. Maybe an audit of ODOT to see where the money goes.

Sincerely

A senior citizen and veteran

Alex Salazar
