Measure, Appointment or Topic: HB2025

I urge you to vote against this horrible bill. Oregonians are struggling to make ends meet and this bill will push many over the edge into poverty. Those who are barely hanging on with increased food prices, rent through the roof, and high gas prices do not have any cushion left to cover these costs. We don't need privilege taxes. We already have a hefty income tax. If the Oregon government needs more money, perhaps an audit is in order, not more taxes.
