

Submitter: Robert Nevin

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose this bill. We are already overpaying in taxes. We are being owed record numbers in kicker returns that are trying to be stolen. Oregon's Government has turned into Prince John with no Robin Hood to help out. Stop this over taxation today. We need Government accountability & reform, not new or increased taxes.
