

Submitter: Kerry Joe Harn
On Behalf Of: myself
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

We already pay enough for gasoline in the state, and when you live in North Eastern Oregon, It cot more to trawl any where that we are mid full of distance. Our electives officials in Salem need to realize out side of the large cities there is to cheap way to get around. Wake up and use your brain for something other than keeping you ears apart

, start thinking about how to fix it without having dumb ideas.
