

Submitter: aaron thorsgard

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose this bill the taxation never end oregonians are being brought to their knees from the overspending of this state

We the citizenry are all ready taxed to much

Please find a way to treat our government like you would your out check book find a way to live with in your means with our taking from others
