Measure, Appointment or Topic: HB2025

We the People of the Great State of Oregon cannot afford this bill. I cannot afford this bill. I am an older, single, disabled female in a fixed income... I cannot afford these increased costs with my limited income. Living in my vehicle, I cannot afford the increases to costs regarding my vehicle. Bills like this will only drive more businesses and people out of the state to locations where costs are lower than here. This bill is not fiscally responsible. Please vote NO
