

Submitter: Richard Leiby

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I do NOT support additional taxes that are based on gasoline revenues, road taxes for miles driven OR especially "rolling AND toll gate fees". Use the taxes you are already getting to pay the bills, your employee costs AND look much harder for expenditures that are "gross, misused and incompetently spent" outside of Oregon's Laws, Statutes AND Administrative Rules!!!!!!!!!!
