

Submitter: Jennifer Ganders
On Behalf Of: The people
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

I live in Oregon, Wasco county. I strongly Oppose HB 2025. I know many, many will as well. The state of Oregon needs to use the money wisely that the hard working people already pay & have been paying for quite a long time. No on HB 2025!!
