

Submitter: cindy mahoney

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose this watered down piece of legislation.

It's like you only want rich people to live here.

The ones fleeing San Francisco

We know what you're doing besides lining pockets.

It's destruction of the Oregon way of life.

Reading every measure of this session means taxes.
