

Submitter: Marcia Botkin

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

It is unbelievable that you were trying to burden the citizens of this state with such a high tax. Don't know if you were trying to destroy the state outright or just chase off more of the people.

It is hard enough as a retired person to survive day-to-day let alone have you burden us with horribly high taxes.

It is unacceptable and we demand that you do not vote for this bill.

I cannot say how adamantly I am against it.
