

Submitter: Alex Hurlburt

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Absolutely 100% oppose this. Forcing high tax increases on Oregonians without a vote from the people is out right the worst possible way to go about this.

This bill will CONTINUE to push out good Oregonians, businesses, and tourism. I would NEVER support a single person who votes yes on this.
