To be closer to family, we moved to this gorgeous state. We left the laughably over-taxed & corrupt nonsense of COOK COUNTY, ILLINOIS. Taxes were less than a third of what we had been paying. Taxes are still lower than Illinois but now, they're quite a bit higher. It appears taxes benefit us FAR less than in Illinois. I voted for Christine Drazan because she seemed very interested in what's best for Oregon and the citizens. We lost and we're more disappointed we lost EVERY DAY. You're making Oregon less beautiful. Resign.
