

Submitter: Carol Thompson

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

To whom it concerns:

HB 2025 is completely wrong. It is not right for democrats to be pushing a bill through that the majority of citizens oppose. Please do not vote in favor of this bill. The majority of citizens cannot afford to pay the tax increases it would cause us to pay, especially all of us senior citizens. It is totally wrong.

I am a 5th generation Oregonian, and I used to be very proud of that. Over the last 5 years I know of many families who have moved out of the state of Oregon because of the poor leadership - governors and other liberal elected officials. We have visited them in their new state and see why they moved there. If these unnecessary tax increases become a reality, we may need to consider moving out of state as well.

PLEASE DO NOT PASS HB 2025!

Sincerely,

Carol Thompson
