

Submitter: Jeanne Kauffman

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

We cannot afford more and greater taxes. We need to tax road users equally not rely on gas tax only. We also know our tax dollars are unaccounted for and wasted on pet projects. When Oregonians and businesses are moving away due to high taxes and high costs, we need to decrease the tax burden not raise it.
