Measure, Appointment or Topic: HB2025

My husband and I strongly oppose HB2025! Oregonians are already overtaxed. Our property tax is very high compared to many other states. Our state has lost many residents and businesses due to do high taxes and policies that burden the taxpayer. Now this HB 2025 wants to burden those of us who remain? We urge you to vote NO on this bill. We oppose HB 2025!

Respectfully,
Don & Judi Mosteller
