

Submitter: Eric Donnell

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Making new taxes or raising existing taxes is not the answer to every issue. These increases will significantly impact rural Oregonians and make it too expensive to register your vehicle and too expensive to drive. There are better ways and as elected officials it is your duty to come up with alternatives, not just raise taxes.
