Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please vote NO on this transportation package. Oregonians are already paying between \$300-500 per month to drive their cars. With increases in the gas tax, the monumental increases automobile insurance, plus additional increases in local city and county taxes, Oregonians cannot afford to drive to work!

Businesses are fleeing Oregon because of our taxation. Increased taxes will not help this situation.
