

Submitter: Mary Wilson

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

This is an absolute detrimental thing to do to this state after we are in such a crisis right now.

No new business has been brought into Oregon since Intel. And that was their decision. Nobody went out and saw it after them.

Businesses are leaving left and right from the state meanwhile, we're concerned ourselves with drag shows.

Stop this madness!
