Measure, Appointment or Topic: HB3402

I am writing in strong opposition to HB 3402, a bill that dismisses years of public town hall testimony and defunds transit, safe streets, and critically underfunded city and county transportation budgets. We cannot continue to give ODOT a blank check for mega projects that reliably go over-budget, while neglecting the very needs that the public has repeatedly asked for – maintenance of our existing road system, safety, and transit.

Thank you.
