Measure, Appointment or Topic: HB3402

A bill that funds only ODOT, and does nothing for other transportation priorities is at best a half measure, and I oppose it.

A vote in favor of this bill is a vote in favor of crumbling city and county roads, no oversight and cost control at ODOT, catastrophic service cuts at Oregon transit systems, and 10s of thousands of children being deprived of the safe routes to school that they are owed.

Vote no, if the legislature must return in a special session then so be it.
