

Submitter:

Julianne Renzema

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

HB3402

Funding needs to include more than just roads and improvements for automobile traffic.

This is discrimination and neglect of pedestrians, buses, bikes, trains, scooters, wheelchairs, motorcycles, etc. this legislation needs to be more inclusive. All of us pay taxes, and all types of transportation need to be considered and included for funding and improving. Please consider all Oregonians, not just car drivers.

Thank you.
