On Behalf Of:
Committee: House Committee On Rules
Measure, Appointment or Topic: HB3402

Members of the state legislature,

Please oppose this bill. We cannot afford to sacrifice critical public transportation resources for Oregonians. I am a committee member on the HB2017 STIF transit advisory committee. I have heard from transit agencies, small and large how critical this funding is. We cannot offer Oregonians the bare minimum. Please oppose this bill and support HB 2025.
