

Submitter:

Robert Galanakis

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

HB3402

There were things I didn't like about HB2025, and I am not displeased it appears to have failed, but this bill is totally unacceptable in both content and manner of release. Call a special session, or deal with the impacts of no bill, but passing something like this at the last minute is a disaster.
