

Submitter: Anders Hart

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3402

Please restore funding for safety and transit and advance HB 2025-28A instead of HB 3402. We cannot continue the dangerous status quo of dangerous roads and underfunding transit. Without additional finding, more Oregonians will die on our roads and face limited transportation options that constrain their economic and social opportunities.
