Louise Michael

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

HB3402

After months of engaging with the public on this bill, you all are willing to throw away your supermajority and do nothing now? There's eugencists in the federal government trying to kill disabled and BIPOC people and you're willing to say sorry, we only care about people who can afford cars? Disgusting misuse of people's time and organizing. Disgraceful. NO!
