

Submitter: Thomas Delacour

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3402

I oppose this last minute attempt to rush a poorly thought through transportation funding bill.

Roads cost money and you have to fund them with more than wishful thinking. Transit is part of transportation. The city and county needs autonomy to implement projects. Do your job.

Please reconsider hb2025 and give us back our crumbs.
