

Submitter: Traci Hensley

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3402

With all due respect, what part of NO is hard to understand here?

Over 70% of more than 4000 who submitted testimony were asking for a NO vote on HB2025.

Rewriting, revising, trying to achieve a "compromise" is not what we need either.

Oregonians simply cannot afford to be taxed any further.

ODOT needs an audit, make cuts to the pork, and hold them accountable.

PLEASE VOTE NO on HB3402
